Juvenile Diabetes benefits from stallion breeding

The Reichert Celebration held in Tulsa, Oklahoma, August 8 -17 raised funds for the Juvenile Diabetes Research Foundation. Darol and Karen Rodrock of Rodrock Quarter Horses donated a free breeding to their stallion, Only In The Moonlite. Only In The Moonlite is a 2004 brown stallion by Invitation Only and is a multiple Congress champion. Only in the Moonlite was booked full for the 2008 breeding season.

A drawing will be held at this year's Reichert Celebration for one cost covered breeding to Only In The Moonlite. Tickets for a donation of your choice going directly to the Juvenile Diabetes Foundation will be available for the duration of the Reichert Celebration with the drawing to be held 7 p.m. Saturday, August 17, before

The Equine Sports Medicine Maiden Two-Year-Old Western Pleasure Challenge. The winner will also be announced online at www.onlyinthemoonlite.com and www.gumzfarm.com.

The Reichert Celebration has a long history of giving to the Juvenile Diabetes Foundation beginning in 1999. To date the Reichert Celebration with the support of their exhibitors and sponsors has been able to donate over \$150,000 to the Juvenile Diabetes Foundation. The Reichert Celebration and Rodrock Quarter Horses work to help find a cure for Juvenile Diabetes.
